1922 TAX LAW REQUIREMENTS ARE EXPLAINED

Under the provisions of the
changes in the Income Tax law that
will take effect on January 1, an ex-
planation is given of various changes
from the old law of 1918.

Returns are required of every single person whose net income for 1921 was \$1,000 or over, every married person not living with husband or wife whose net income was \$1,000, and every married person living with husband or wife whose net income was \$2,000 or over. Every person whose gross income for the year was \$5,000 or over must make a return regardless of the amount of net income. This requirement was not contained in the revenue act of 1918. Every married couple living together must make a return, either separate or joint if desired; if their aggregate net income was \$2,000 or over, or if their aggregate gross income was \$5,000 or more.

Gross income includes practically every dollar the taxpayer received during the year 1921. Net income is gross income less the exemptions and deductions specifically provided for by the act.

ADVERTISING SUPPORTS HUGE TAX IN RUSSIA

(By Associated Press)

MOSCOW, Dec. 22.—The first non-government paper to appear in Moscow was a theatrical journal. It contained many advertisements, the first which the Bolshevik government had permitted. Several weeks are now appearing which are not issued by the government. Advertisements pay a tax of about 6,000 rubles per agate line to the government.

STRANGE LAW CAUSES GRIEF TO LANDLORDS

(By Associated Press)

PARIS, Dec. 22.—Paris landlords say they are the most abused people in the world. They agreed to this unanimously at a mass meeting held recently.

They reported they are unable to collect rents from more than 20,000 tenants or to evict these unprofitable occupants. All this is the fault of recent legislation, say the landlords, giving tenants who were immune from payment of rent during the war the right to find other quarters before vacating. The landlords say that when they try to sell their properties, no bids are forthcoming because of the existing situation.

WILL REMEMBER PRISONERS ON CHRISTMAS DAY

(By Associated Press)

SAN FRANCISCO, Dec. 22.—Christmas presents will be sent by the Salvation Army this year to approximately 5,000 prisoners in the state penitentiaries at San Quentin and Folsom, the honor road camps and the military and naval prisons on Alcatraz and Mare Islands and at the Presidio of San Francisco.

Each prisoner will be presented with a box of candy in which there will be a personal Christmas greeting from Commissioner Adam Gifford, chief territorial executive of the Salvation Army.

Families of prisoners also are to be remembered. Call Mrs. Sylvia Grochong, phone 806, when you need music for dances or parties. The Grochong orchestra is composed of real musical artists.

GOLD CANYON PLACERS ARE IN DISPUTE

Title to valuable placer ground, part of which has been leased to the company operating the big dredger in Gold Canyon, is involved in the suit on trial in the Lyon county district court since last Wednesday in which the plaintiffs are Nevada Mining and Exploration Company and the Tonopah-Virginia Gold Dredging company, and the Rae Consolidated Gold Dredging company and the Gold Canyon Dredging company. J. H. Rae, et al. are the defendants, says the Reno Gazette.

According to stipulations signed by both parties to the action the lease to the Buckley Wells company will be enforceable, and to keep the contract in force \$1000 monthly is being paid to the court as royalty, though the property is not yet being worked by the dredger.

About \$150,000 is involved in the suit. Platt & Sanford and E. F. Treatwell of San Francisco are the attorneys for the plaintiffs.

COAST SHOPS TAKE CARE OF ALL AIR NEEDS

(By Associated Press)

SAN DIEGO, Dec. 22.—The Rockwell Air Intermediate Depot, at Rockwell Field, Coronado, near here has become sole supply depot for the air service in the Ninth Army Corps, Philippine Islands and Hawaii, as a result of the recent reorganization of the service under reduced strength of the army. Five squadrons are allotted to this Corps area and the island possessions. The shops of Rockwell Field are putting out two airplanes and three motors a week, and with the planes on hand already assembled, it is expected that the depot here will be able to supply the Corps area needs.

HE CELEBRATES CENTENNIAL BY FREEING 800

(By Associated Press)

MEXICO CITY, Dec. 22.—More than 800 prisoners were set at liberty in one month as the result of President Obregon's recent decree granting amnesty to all violators of the law complying with certain stipulations.

The amnesty decree was the president's gift to unfortunates on the occasion of the republic's centennial celebration of independence.

Burglars Don't Seek the Light!

Darkness is their stock in trade. They work by stealth—unheard and unseen—their movements cloaked in secrecy. It's honest folks that see the light. They are the only ones who can risk it.

It's the same way in business. The merchant who is not sure of his goods does not dare to advertise. Advertising would hasten the end of his business career—put him to a test he could not meet.

The merchant who advertises deliberately invites your inspection. He tells you about his product and then lets it stand on its own merits. You can depend on him. He knows his product is good.

That's one reason why it pays you to read the advertisements in THE BONANZA. It is through advertising that you are able to keep in touch with the good things that progressive business houses are spending their money to introduce and keep before you.

Advertisements are interesting, instructive and profitable. They throw a powerful light on the very things that concern you most. READ THEM!
